

## STATE ARCHITECTS

Forty-nine people have completed the TOGAF (The Open Group Architectural Framework) training since the fall of 2007. This group represents the Construction Contractors Board, Department of Administrative Services, Department of Human Services, Employment Department, Forestry, Lottery, Department of Transportation, and the Public Employees Retirement System. During each training it became obvious that these people had a lot to share with each other for the betterment of Oregon State government. This list provides these individuals ability to collaborate with their peers and others having similar architectural interests.

Name	Agency	EMAIL	Phone
Larry Luther	Construction Contractors Board	<a href="mailto:larry.w.luther@state.or.us">larry.w.luther@state.or.us</a>	503-378-4621 x 4027
