Re: DMV Bend Site Selection Decision

Ladies and Gentlemen,

Thank you for your patience over the past few months as the Oregon Department of Transportation (ODOT) and its Driver and Motor Vehicle Services Division (DMV) analyzed their options for a permanent site for DMV services in the City of Bend.

After a thorough vetting of each alternative location, ODOT Director Matthew Garrett has decided that, in the interest of optimal use of state resources, the Bend DMV office will remain at its current location on the ODOT Region 4 compound at 63085 N. Highway 97. ODOT will explore options to remodel the existing facility to improve customer service and to address health and safety issues when it is financially feasible.

With this announcement, the Department of Administrative Services officially closes the site selection process in which you have graciously participated. We greatly appreciate your resource investment that yielded the quality proposals presented to us. If you have follow up questions regarding any aspect of the process please do not hesitate to contact me. Any questions about the current ODOT facility should be directed to Dave Thompson, ODOT Public Information Section Manager, at 503.986.4180 or at david.h.thompson@odot.state.or.us.

On behalf of the State of Oregon, thank you for all of your time and effort over the past few months. We look forward to a future opportunity to work with you again.

Best,

Shannon Ryan
