

Commingled Recycling HERE

Paper Office Items

- File folders, copier and printer paper, note paper.

Mixed Scrap Paper

- All paper (except foil) including labels from cans.

Plastics

- Bottles and tubs only. Throw away caps and pumps.

Tin Cans and Aluminum

- Clean first!
- Separate labels from cans.
- No need to flatten tin or aluminum containers.

Food Containers

- Throw away plastic or foil liners.
- Rinse completely.
- No greasy or wax coated boxes.

Recycle but.. Separate

Shredded Paper

- Stuff into a paper bag and place on top of the commingled recycle bin.

Plastic Bags

- Stuff all plastic bags into one bag and place to the side of the bin.

Cardboard

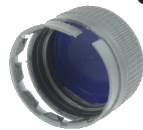

- Throw away plastic liners.
- Flatten boxes.
- No greasy or wax coated boxes.

Glass and Batteries

- Place items in red bins in break rooms.

Better to.. Throw Away

Caps/Pumps

- Small pieces of hard plastic can jam recycling equipment.

Foil/Foil Bags

- Foil materials are not recyclable in Oregon.

Dirty/Greasy Materials

- Dirty materials contaminate other clean recyclable materials.

Styrofoam

- Toss for now, but watch for new instructions coming soon!
